

WILLAND PARISH COUNCIL

Planning Lighting and Transportation Committee terms of reference:

- 1 The committee should ideally consist of at least six members.
 - 2 In cooperation with the District Council receive, examine and make recommendations, if appropriate, on planning applications submitted within the Willand or adjoining parishes.
 - 3 Examine and respond, if appropriate, to any consultation received as to proposed changes to Planning Policy or boundary changes which is likely to have an impact on the Parish, District or County or adjoining areas.
 - 4 Deal with any policy matters in relation to the highways and footpaths within the Parish or the immediate adjoining area. This will include the sighting and operation of street lamps and other 'street furniture'.
 - 5 Any other issues as directed by Full Council.
- The meetings are held in public and decisions are recorded in the minutes and the full response will be available on the relevant MDDC or DCC file.
