

ALLOTMENT SUB-COMMITTEE SITE MEETING

TUESDAY 16TH JUNE. 8.30 PM.

Members

Mrs Godfrey (Apologies for absence)

Mr Spearing

Mr Saunders

Mrs Graham

Mr Barnett and Clerk.

Councillors viewed the site, it was noted the entrance spring catch had vanished.

The clerk indicated from his Plan, "6" Plots remained vacant all of which were notified since April as not being required.

In addition, 4 Others had been let to new tenants.

Advertising of Vacancies had been advised ref. Parish Council Meeting of 11th June.

Two enquiries from Outside Willand area, had been received. Apathy was the over-riding feature, produce could be purchased locally without manual effort!

The Vacant Plots were overgrown, chemical had been sprayed in some instances and burning was suggested when grass brown.

The Major Feature proposed by the Sub-committee was the clearance of Site of Old Waste Timber, Wire & Refuse together with trees (central plot Area). A skip or similar was necessary together with labour, Estimate of cost necessary, Mr Pursey's name suggested for work with equipment. To be agreed by Parish Council.
