1. Devon County Council - Structure Review 2011

Outcome of Workshop held at Willand Primary School on 21 October

Copy of Cullompton Town Council's response was read to the meeting. It was finally decided that DCC should be advised that without the report on the Workshop, the council did not have sufficient information to make a recommendation. Therefore, the council wishes to have further time to consider the issue once the report has been received, assuming always that it will issue shortly. DCC should also be advised of the full decision taken by the Public Meeting on 2 October.

2. Planning Applications

a. Magnus Developments

Withdrawal of Application 0618

Phases 3 & 4 revised plans withdrawn through appeal withdrawal - noted.

b. Raising of garden levels - retrospective application

Letter from R Steele raising objections to the whole scheme.

Council decided to support the case of Mr Steele and also to recommend that the levels application, together with the ditching application, which is to follow, should be **approved**.

c. Decisions

i. Magnus Developments

Consent to display advertisement **Refused**

ii. Kimberley Snow

Refurbishment of existing workshop, erection of porch extension with change of roofing to dual pitch. **Approved with Listed building consent.**

d. Village Sign

Letter from DCC regarding the siting of the signs. Agreed to site one at the OV entrance and the bungalow opposite the Halfway House. Order to be placed with Ken White.

Closure The meeting closed at 8.50pm.
