

WILLAND PARISH COUNCIL**MINUTES OF PLANNING & LIGHTING SUB-COMMITTEE
ON 28 APRIL 1997**

Present: D E Parish(Chairman), E D Dennis, R Steele, L G Vearncombe, R J Vile,
& the Clerk.

1. Application

Mr P Buxton 34 Pear Drive 4/59/970480BR

Erection of single storey rear extension.

Although there would be less than 14 metres between the proposed extension and the neighbouring property, it was decided that (a) as the new proposal was to extend to the boundary of the existing garage and (b) the earlier similar application in June 1991 had been approved, that the Council should recommend the application be approved.

2. Appeal Decision

Mr R Littlechild, 3 Somerville Close 4/59/97/0929

Erection of garage extension on north east elevation

Appeal rejected. Noted.
