Present: Cllr Crick, Cllr Ursell, Cllr Wright, Cllr Mander, Cllr Phare, Cllr Bartlett

- 1. Apologies**           None
  
- 2. Applications**       **a.** 10/00593/FULL  
                                  Proposal: Erection of an extension  
                                  Location: 12 Pearmain Close Willand

The Planning Committee discussed a previous application for this property in March 2010. The new plans were discussed and the Planning Committee reached the same decision:-

The Planning Committee is in support of this application, however, concern was raised as the style of the windows could not be determined from the plans submitted. The Planning Committee would therefore like to ensure that the windows in the extension are of the same style as the original property. The Planning Committee would also like to ensure that the hedge is not disturbed in any way.

Meeting closed 20.30
